

CLEMSON CREW CHRONICLE

Keeping our Alumni updated on rowing results, regattas , and more!

Jefferson Dad Vail and ACRA Regatta Results

As our crew grows and gets stronger we have started sending boats to the biggest collegiate regattas in the country! This year, we sent a novice women's 4+ and a varsity men's 4+ to the largest collegiate regatta in the United States, the Jefferson Dad Vail Regatta in Philadelphia, PA.

The novice women placed 3rd overall and went home with bronze medals! They finished with a time of 7:32.6!

The men's varsity 4+ placed 14th in Philadelphia with a time of 6:34.3. They then went on to race at the American Collegiate Rowing Association (ACRA) National Championship Regatta in Gainesville, GA. The boat placed 2nd in their heat sending them straight to the grand final where they placed 5th overall with a time of 7:11.4. We're already planning on sending more boats to the championship regatta next year!

The novice women show off their bronze medals after finishing their final in Philadelphia

The varsity men celebrate after realizing they made it straight to the grand final at ACRA

Alumni Spotlight

Congratulations to Cameron Thacker and Shannon Fischer on your wedding! All of Clemson Crew wishes you a future full of happiness together!

Congratulations also go out to all of the seniors listed below who graduated from Clemson this May and became the newest additions to the Clemson Crew Alumni:

- Collin Burchette
- Julian Boyer
- Frank Cunningham
- Brooke Elliot
- Matt Finch
- Madi Marasco
- Sam Michelich
- Colin Pender
- Peter Tilton
- Anthony Wilson

We wish you all the best of luck in all future endeavors!

Featured Photos

Left: Twenty-two years ago the men's varsity 8 raced at the same Lake Lanier course in Gainesville, Georgia that the current team rowed on this past weekend. The race took place in May of 1997, a year after rowing at the 1996 Summer Olympics raced on the same course.

Below: Photos of our boathouse over the years show how we have gone from the original boathouse for the fleet of 6 boats in 1988 to building a spacious boathouse that houses over 20 boats today.

Thank you to William Palmer and Raymond Vine for posting these photos!
