Alumni Sections Coming Soon!

We want to showcase you as our Clemson Crew alumni and all that you have achieved since leaving this team. Some additional sections that will be included in the newsletter with your help are listed below! Lexie will be posting on Facebook and through email to ask for submissions for each section.

Featured Alumni: Let us know about any stories of success you have had recently, whether it be related to rowing or anything else you want to share with your fellow alumni!

Photo Comparisons - Then to Now: Submit photos of your time on Clemson Crew to be compared to photos of the team today. Believe it or not, we are still doing the same things 30 years later and would love to see how similar we are to our alumni!

Alumni Stories: Submit some of your best stories from your time on the team to bring back great memories with your fellow teammates and alumni.

Alumni at First Friday Parade

This year's First Friday parade will be held on Friday, September 6th, 2019 before Clemson plays Texas A&M at home! The theme of the parade this year is "Setting the Stage for Perfection." Clemson hopes to highlight Clemson Alumni and how they have "set the stage" for the Tigers to go 15-0 this past season. We are inviting all of our alumni back to walk in the First Friday Parade with Clemson Crew and really hope you can make it!

The Homecoming game will be Saturday, October 26, 2019 against Boston College. We will be planning a Clemson Crew alumni tailgate that Saturday along with some activities and dinner at the boathouse the night before.

Mark your calendars for both of these upcoming events! Alumni have done so much for this team and we would love to have you walk with us and represent the team in front of the entire university at the First Friday Parade. We look forward to seeing you there!

2019-2020 Executive Board

President: Max Sturdivant - Max is a plant and environmental sciences major from Haverford, Pennsylvania. Rowing at Clemson has defined his college experience and he wouldn't want it any other way! He is very excited for the opportunity to be leading this team to further grow next year!

Vice President: Ainsley Yarosh - Ainsley is a senior mechanical engineering major with a business administration minor from West Chester, PA. Continually claiming bow seat, best seat, Ainsley has found a home in one seat since Head of the Charles last fall. She lives by the motto ergs don't float because despite her skinny ergs, Ainsley is a menace on both port and starboard in the boat.

Secretary: Zack McGhee - Zack is a senior mechanical engineering major from Nashville, TN. He has rowed with the team for three years so far and is proud of his time as a starboard stroke seat of the men's eight.

Treasurer: Nate Dubrouillet - Nate is a senior mechanical engineering major from Clover, SC. He's rowed every semester he has been at Clemson. He will be commissioning as a Navy submarine officer after graduation.

Equipment Manager: Ethan Cox - Ethan is a junior from Dallas, Texas majoring in bioengineering. He is about to start his 8th year rowing and second year managing the equipment. He fully stands by the statement "It's not about how fast you are, it's about how fast you look"

Public Relations/Alumni Officer: Lexie Mehallis - Lexie is a marketing major from Cleveland, Ohio going into her third year at Clemson and on the team. She had never rowed before coming to Clemson but has loved every part of being on the team and is excited to spend even more time helping the team next year!

Fundraiser: Catherine Patterson - Catherine is a rising senior French and international trade major from Dallas, TX. Since her freshman year, Clemson Crew has been one of the best and most important parts of her life. She is so excited for this opportunity to help this team continue to grow and thrive.

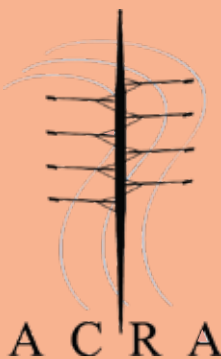

Recruitment and Retention Officer: English Laserna - English is a biochemistry and biological sciences with a minor in genetics from Charleston, SC. She's so happy she chose to join crew because she has her college/lifelong best friends on the team and gets to compete in high caliber competitions in college which she never knew she could.

Safety Officer: Henry Egloff - Henry is a biological sciences major with a minor in Animal and Veterinary science from Mount Pleasant, SC. He had never rowed before college but is very happy to have quickly become great friends with everyone in the team on top of a great competitive experience
